Building A Better Box

2021 ANNUAL REPORT

WESTMORELAND FOOD BANK
Our Vision is to end hunger in Westmoreland County.

Our Mission is to enable all Westmoreland County residents who are hungry or at risk of hunger to have ready access to food.
MESSAGE FROM THE CEO

While 2020 seems like ages ago, it truly helped the Westmoreland Food Bank prepare for the hard work we knew we were facing in 2021 and beyond. Everything that COVID broke down, we built back stronger in the face of the highest levels of food insecurity that we have seen in decades. Donated product continues now to decline, and a combination of rising prices with increased need means our work requires more resources than ever.

Our ability to rise up and meet the demand has required us to think outside of the box with our programs, our operations and our community partnerships. We have emerged from the crisis with a stronger, more engaged team -- a team proud of the fact that with your support, we have been able to provide solutions and support to the community that we serve. We are truly the resource that Westmoreland County needs us to be.

We achieved this through dedication, innovation and collaboration. The need strained our capacity and required us to again, think outside of the box, such as delivery via a Door Dash® partnership with our Senior Food Box Program, volunteers stepping up to fill in the blanks where Door Dash® left off, reinstating Operation Fresh Express and streamlining it to be all “Grab & Go” and so much more. As a result, our expenses have slightly increased however we remain good stewards of the donor dollar with 93% of all funds received going back out to our consumers and for our programs.

An incredible and ongoing show of financial support from businesses, foundations, individuals and the Commonwealth of Pennsylvania have made it possible for us to continue to bring our best ideas forward and pivot as the pandemic’s impact continues to evolve and change. With your support, the Westmoreland Food Bank will continue feeding people, strengthening communities, and ending hunger for more residents of Westmoreland County - and allow us to “build a better box!”

With gratitude,

Jennifer Miller
Chief Executive Officer

### Invest in the Growth of Our Future!

Investing in our future is a wonderful way to ensure that children throughout Westmoreland County do not need to know the anguish of hunger. Thanks to generous donations, we have been able to invest to fund our child hunger programs, and as this fund continues to grow, the more children we will be able to feed.

Our Weekend Backpack Program, Summer Meals and our Pantry Distribution Program all reach children directly and with your partnership, we can make sure that their future looks bright!

Please contact Jennifer Miller at 724-468-8660 extension 15 or via email at jennifer@westmorelandfoodbank.org for details about how a donation can be made to invest in our community's future.
