Independent Auditor's Report

To the Board of Directors of the Westmoreland County Food Bank, Inc. 100 Devonshire Drive Delmont, Pennsylvania 15626

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Westmoreland County Food Bank, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Westmoreland County Food Bank, Inc. as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Westmoreland County Food Bank, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Westmoreland County Food Bank, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Westmoreland County Food Bank, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Westmoreland County Food Bank, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and

other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 31, 2024, on our consideration of the Westmoreland County Food Bank Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Westmoreland County Food Bank Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Westmoreland County Food Bank Inc.'s internal control over financial reporting and compliance.

NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Westmoreland County Food Bank, Inc., is a private nonprofit 501(c)(3) corporation that operates in cooperation with support agencies and community groups committed to helping to alleviate hunger in Westmoreland County.

Program Descriptions

Agency/Warehouse: The core work of the Agency and Warehouse Programs is to acquire and distribute food and household necessities to needy people throughout Westmoreland County. This is done through a network of partner agencies comprised primarily of volunteer-run, faith based organizations. While a number of our partner agencies are soup kitchens and other on-site feeding programs, the majority are food pantries. Each month, WCFB delivers food and household necessities to these food pantries in refrigerated trucks. The pantries then distribute the items to their income-eligible constituents. In order to meet income eligibility requirements, family income must be at or below 185% of the Federal Poverty Guidelines.

Summer Food Service Program: For eight weeks each summer, free breakfasts and lunches are served to disadvantaged children at approximately twenty sites around Westmoreland County. These sites can be schools, playgrounds, housing sites or parks.

Operation Fresh Express: Groups and individuals sponsor OFE distributions where an average of over 20,000 pounds of perishable food (frozen, dairy products, and fresh produce) is directly distributed to needy families by WCFB staff and volunteers at sites throughout Westmoreland. This program operates from March until December each year with distributions held weekly.

PA Senior Food Box Program: The PA Senior Food Box program is federally funded through the state Department of Agriculture and provides supplemental, monthly food boxes designed to meet the nutritional needs of seniors. Each month 1,300 income eligible seniors age 60 and over receive these boxes through their pantries or a direct high rise distribution. Income is based on 130% of the federal poverty guidelines.

Volunteer Activities: Volunteers are recruited to meet the volunteer needs of our warehouse, CSFP Senior Food Box, Operation Fresh Express, and our partner agencies. Tasks include distributing food or meals to clients, gleaning, food drives, as well as, sorting and repacking food from donors and retailers. Volunteers are required to agree to our policies and are given an orientation during their first opportunity. Hours are documented. In 2023, 4,660 volunteers gave a total of 66,713 hours.

Food Solicitation: Develop relationships with local and national food distributors for the purpose of increasing product donations for the Westmoreland County Food Bank. This will result in the ability to offer more food to the member agencies and their consumer in our County.

Food Solicitation: Maintain and Expand Food Solicitation Program:

1. Work with Warehouse Manager to obtain ideas of what will be in the emergency food boxes for this quarter to set up "wish list" for donors on product we would need donated on a monthly basis 2. Secure sufficient food donations to assist in support monthly Emergency Food Program and Operation Fresh Express.

3. Increase local food donations by 5%.

4. Access Feeding America's Choice System Internet Bidding on a daily basis; to obtain national donations through the network.

Program Descriptions (Continued)

Outreach and Expansion Project: In 2009 an Expansion Model was developed with an outreach action plan which includes various outreach activities. Outreach efforts are concentrated on a different area of the county for two year time frames with a focus on finding new food, new funds, and new friends to assist in reaching the underserved while maintaining quality service for our current consumers. Many individuals and families may be eligible for help and not even know it. Examples of the various outreach activities are direct mail marketing to individual homes as well as flyers and posters in schools, churches and community organizations.

Supplemental Nutrition Assistance Program (SNAP): The Supplemental Nutrition Assistance Program (SNAP) is a federal program that provides a monthly benefit to enable low-income households to purchase the food they need to feed their families. WCFB helps to increase access to meals by assisting eligible individuals and families over the phone to complete applications for SNAP benefits. Applications are completed via our Community Partner Account on the PA COMPASS portal and submitted to the local County Assistance Office (CAO) for determination. Households determined eligible receive the benefits monthly through Electronic Benefits Transfer (EBT) cards which work like debit cards at a variety of retail stores.

Food Drives: Food drives provide a variety of food products to share with our clients and partner agencies. We collaborate with and support individuals, organizations and businesses who want to facilitate food drives. We can provide them with food drive receptacles, food pick-ups and social media support. During Feeding America's Hunger Action Month in September, we facilitate food drives at participating Walmart stores. Other large food drives include: Stamp Out Hunger, Scouting for Food, Fall Food Share and Harvest for Hunger. In 2023, 124,934 pounds of food was collected through food drives.

Backpack: Westmoreland County Food Bank supplies weekend meal kits to 5,247 students from 15 schools throughout the school year. Recipients are identified by the schools and participants most qualify based on their eligibility for the National School Lunch Program.

Military Share: The program supplies a limited number of military families in Westmoreland County with a box full of fresh, frozen, and nonperishable food items. The Food Bank works with representatives from the Pennsylvania National Guard Family Assistant Center to deliver this much needed aid. This distribution is usually 9 times per year throughout Westmoreland County.

Healthy Community Program: This program provides an opportunity for the food bank to partner with healthcare providers / organizations, human service organizations and schools to provide emergency food items and nutrition education to patients, participants or students who screen positive for food insecurity.

Mobile Market. This program is a traveling mobile pantry that delivers food, free of charge, directly to communities that are located in areas that have low access to food.

NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Organization

The Westmoreland County Food Bank, Inc., was incorporated under the laws of Pennsylvania as a nonprofit corporation. As such, it has no stockholders and excess revenues must be used for its nonprofit activity. Prior to October 1, 1982, Westmoreland County Food Bank, Inc. was operated as a segment of another entity. As of this date, they separated from the other entity and commenced operations as an independent agency. Westmoreland County Food Bank, Inc., receives revenues from member pantries who contribute an agency and trucking fee from other agencies on a fee-for-service basis, donations from the public, and governmental appropriations.

In addition, they receive noncash donations in the form of food.

The Westmoreland County Food Bank, Inc. is certified by Feeding America as a participant in its National Food Bank Network.

Basis of Accounting

The books and records of the Westmoreland County Food Bank, Inc., are maintained on the accrual basis of accounting in accordance with generally accepted accounting principles.

Basis of Presentation

The Westmoreland County Food Bank, Inc. has adopted FASB ASC section 958-205-05, as amended by ASU 2016-14. Presentation of Financial Statements of Not-for-Profit Organizations. FASB ASC section 958-205-05 establishes standards for external financial reporting by not-for-profit organizations and requires that resources are classified for accounting and reporting purposes into two net asset categories according to the existence or absence of donor or grantor restrictions imposed restrictions, as follows:

- Net Assets Without Donor Restrictions Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Included within Net Assets Without Donor Restrictions were \$0 and \$8,897 of net assets restricted by the Board of Directors of the Westmoreland County Food Bank, Inc. for certain programs at December 31, 2023 and 2022 respectively.
- Net Assets With Donor Restrictions -- Net assets that are subject to donor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, were the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. At December 31, 2023, the Westmoreland County Food Bank had \$633,605 of Net Assets with Donor Restrictions. At December 31, 2022, the Westmoreland County Food Bank had \$1,143,910 of Net Assets with Donor Restrictions.

Revenue Recognition

The Westmoreland County Food Bank, Inc. recognizes revenue in accordance with Financial Accounting Standards (FASB) Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers (Topic 606), and as such, follows the revenue recognition policy below.

NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

The Westmoreland County Food Bank, Inc. generates revenue from individual contracts with customers, primarily through trucking income and membership fees. The provisions of ASC 606 are applied by the Westmoreland County Food Bank, Inc. on an individual contract basis. As a practical expedient, the Westmoreland County Food Bank, Inc. applies this Topic to a portfolio of contracts with similar characteristics. The Westmoreland County Food Bank, Inc. expects that the effects of applying this guidance to the portfolios would not significantly differ from applying the guidance to the individual contracts within the portfolio. There was no revenue recognized during the years ended December 31, 2023 or 2022 from performance obligations that were satisfied or partially satisfied in prior periods.

Public Support

Public support consists of certain grants and donations from governments, corporations, foundations, individuals and other organizations, as well as donated food.

The Westmoreland County Food Bank, Inc. primarily receives support through donated food, which is recorded as an in-kind contribution without any donor restrictions. Revenues from donated food and the related fees are reported on the accompanying statement of activities in the fiscal year in which the food is delivered. Donated food is valued at the average wholesale per pound value of food-only items as determined annually by Feeding America or the U.S. Department of Agriculture commodity index.

The Westmoreland County Food Bank, Inc., reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, Net Assets with Donor Restrictions are reclassified to Net Assets without Donor Restrictions and reported in the statement of activities as net assets released from restrictions.

Contributions receivable represent amounts committed by donors that have not been received by the Westmoreland County Food Bank, Inc. Contributions with donor imposed restrictions that limit their use to long-term purposes are classified as a noncurrent asset.

It is the Westmoreland County Food Bank, Inc.'s practice to recognize restricted contributions as unrestricted revenue when these funds are received and spent during the same year. All monies and noncash donations are to be used for the direct and indirect expenses of feeding the hungry.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fixed Assets

Fixed Assets are recorded at cost if over \$5,000. Those fixed assets which have been donated to the Food Bank have been recorded at their fair value on the date the donations were made. All fixed assets are being depreciated by use of the straight-line method over their estimated useful lives.

Type of Assets Ye	ears Depreciated
Auto and Trucks	5 years
Office Equipment	5 years
Warehouse Equipment	5 years
Capital Improvements	27.5 years

A summary of property, plant, and equipment for the years ended December 31, 2023 and 2022 follows:

	<u>1</u>	Balance 2/31/2022	Additions	<u>Disposals</u>	-	Balance 12/31/2023
Land Construction in Progress Building and Equipment Less: Accumulated Depreciation	\$	30,600 235,079 4,187,593 (2,278,523)	\$ - 4,988 617,544 (278,952)	\$ - (221,579) (3,615) 3,615	\$	30,600 18,488 4,801,522 (2,553,860)
Fixed Assets, Net	\$	2,174,749	\$ 343,580	\$ (221,579)	\$	2,296,750

For the years ended December 31, 2023, and 2022, the total depreciation expense was \$278,952 and \$235,226, respectively.

Management reviews the carrying value of fixed assets for impairment whenever events or changes in circumstances indicate that the related carrying value might not be recoverable. Recoverability of long-lived assets is measured by a comparison of the carrying value of the asset to future net undiscounted cash flows expected to be generated by the asset. If these comparisons indicate that an asset is not recoverable, the impairment loss recognized is the amount by which the carrying value of the asset exceeds the related estimated fair value, based on appraisals or other methods to estimate fair value. No impairment loss was recognized in either 2023 or 2022.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited, based primarily on personnel time on the related activities and square footage of the building. All other expenses are allocated based on actual usage.

NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Inventory

For the years ended December 31, 2023, and 2022, there were three major classes of inventory: purchased food, donated food, and USDA Government Commodities. For the years ended December 31, 2023, and 2022, inventory was valued at the lower of cost or market for purchased food on the first in/first out (FIFO) basis. Feeding America's product valuation method was used to determine the inventory value for donated food. For the year ended December 31, 2023, this figure represented a \$.01 increase from the prior year. Commodities inventory was valued at USDA assigned values.

Cash Equivalents

For purposes of the Statement of Cash Flows, the Westmoreland County Food Bank, Inc., considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Income Taxes

Westmoreland County Food Bank, Inc., is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The Westmoreland County Food Bank, Inc. is not classified as a private foundation. The accounting standard on accounting for uncertainty income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Westmoreland County Food Bank, Inc. may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Westmoreland County Food Bank, Inc. and various positions related to the potential sources of unrelated business taxable income (UBTI). Tax benefits would be recognized in the financial statements from such a position and be measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified nor recorded as liabilities for the years ended December 31, 2023 or 2022. The Westmoreland County Food Bank, Inc. files Form 990 in the U.S. federal jurisdiction. The Westmoreland County Food Bank, Inc. is generally no longer subject to examination by the Internal Revenue Service for years before 2020.

Fair Value Measurements

The Westmoreland County Food Bank, Inc. defines fair value as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities, which are required to be recorded at fair value, the Westmoreland County Food Bank, Inc. considers the principal or most advantageous market in which the Westmoreland County Food Bank, Inc. would transact and the market-based risk measurements or assumptions that market participants would use in pricing the asset or liability, such as inherent risk, transfer restrictions and credit risk.

The Westmoreland County Food Bank, Inc. applies the following fair value hierarchy, which prioritizes the inputs used to measure fair value into three levels and bases the categorization within the hierarchy upon the lowest level of input that is available and significant to the fair value measurement:

- NOTE 1: NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)
 - Level 1 Observable inputs such as quoted prices in active markets for identical investments that the Corporation has the ability to access.
 - Level 2 Inputs include:
 - a) Quoted prices for similar assets or liabilities in active markets;
 - b) Quoted prices for identical or similar assets or liabilities in inactive markets;
 - c) Inputs, other than quoted prices in active markets, that are observable either directly or indirectly;
 - d) Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.
 - Level 3 Unobservable inputs in which there is little or no market activity for the asset or liability, which require the reporting entity to develop its own estimates and assumptions relating to the pricing of the asset or liability including assumptions regarding risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs. The methodology used to measure the fair value of the Westmoreland County Food Bank, Inc.'s investments is disclosed in Note 3.

The Westmoreland County Food Bank, Inc. deems that the carrying amount of cash and cash equivalents, receivables, other assets, accounts payable and accrued liabilities approximate their fair value due to the short-term nature of these assets and liabilities.

Recently Adopted Accounting Standards

The Westmoreland County Food Bank, Inc. adopted Accounting Standards Update (ASU) No. 2016-13, "Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments" as of years ended December 31, 2023. This update replaces the incurred loss model with a new approach based on current expected credit losses (CECL) methodology for estimating credit losses on financial assets.

The adoption of ASU 2016-13 has resulted in changes to the Westmoreland County Food Bank, Inc.'s accounting policies related to the measurement and recognition of credit losses on financial assets. Under the previous guidance, credit losses were recognized only when they were probable of being incurred. However, under ASU 2016-13, the Westmoreland County Food Bank, Inc. is required to estimate credit losses over the entire contractual term of the financial assets based on historical experience, current conditions, and reasonable and supportable forecasts.

The adoption of ASU 2016-13 did not have a material impact on the Westmoreland County Food Bank, Inc.'s financial position, results of operations, or cash flows upon adoption. However, it has resulted in changes to the timing and amount of credit loss recognition, particularly for financial assets with longer maturities or higher credit risk.

Date of Management's Review

Subsequent events have been evaluated through the Independent Auditor's Report Date, which is the date the financial statements were available to be issued.

NOTE 2: LIQUIDITY AND AVAILABILITY OF RESOURCES

Westmoreland County Food Bank, Inc. regularly monitors liquidity required to meet its operating needs and other commitments. Westmoreland County Food Bank, Inc. has various sources of liquidity at its disposal, including cash and cash equivalents, accounts receivable and a line of credit.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Westmoreland County Food Bank, Inc. considers expenditures related to its ongoing commitment to alleviate hunger before the value of inventory distributed or disposed, and depreciation expense. Inventory and the value of inventory donated \ distributed are not included in the analysis as these items are non-cash transactions and are recognized as revenues and expenses based on their value as determined by various methods.

In addition to financial assets available to meet general expenditures over the next 12 months, the Westmoreland County Food Bank, Inc. had access to a \$350,000 revolving line of credit (Note 9) which it did not borrow against during 2023 or 2022. The Food Bank also has investments that consist of funds designated by the Board of Directors, that can be used to support various programs or general liquidity needs, upon the approval of the Board of Directors. Investment funds totaled approximately \$6,500,000 at December 31, 2023. The Food Bank operates with a budget and anticipates collecting sufficient revenue to cover general expenditures. Refer to the statement of cash flows which identifies the sources and uses of the Westmoreland County Food Bank, Inc.'s cash and cash equivalents. It is the Food Bank's goal to have three to six months operating reserves on hand at any given time.

As of December 31, 2023 and 2022, the following financial assets could readily be made available within one year of the balance sheet date to meet general expenditures:

December 31,	<u>2023</u>	<u>2022</u>

NOTE 3: INVESTMENTS (CONTINUED)

Investment income is as follows for the year ended December 31:

	 2023
Investment income Net appreciation in fair value of investments	\$ 350,523 153,905
Investment Gain (Loss)	\$ 504,428

The following table sets forth the fair value of the Westmoreland County Food Bank Inc.'s assets measured on a recurring basis as of:

December 31,	2023
Money market funds	\$ 2,662,910
Equity mutual funds	2,399,966
Fixed income mutual funds	1,422,161
Total - Level 1	\$ 6,485,037

The fair values for mutual funds are determined by reference to quoted market prices and other relevant information generated by market transactions (Level 1).

NOTE 4: PENSION

Effective January 1, 2005, the Board of Directors adopted a 401(k) Safe Harbor Plan, managed by the Mass Mutual Financial Group, using the American Funds Family of Mutual Funds as their investment choices. Employer contributions to the plan may consist of three parts, a three percent Safe Harbor contribution, a four and one half percent Discretionary Profit Sharing contribution, and a Discretionary Matching contribution on each eligible employee's wages. For the years ended December 31, 2023 and 2022, the Board approved a .25-cent match. Employer Contributions to the plan by the Westmoreland County Food Bank, Inc., totaled \$117,190 and \$109,771 for the years ended December 31, 2023 and 2022. The Westmoreland County Food Bank, Inc. offers employees the option to participate in a voluntary savings plan with no employer match with American Funds Service Company. For the years ended December 31, 2023, and 2022, no employees participated in the plan.

For the years ended December 31, 2023 and 2022, the Westmoreland County Food Bank, Inc., received contributed services. These services consist of contributed time by volunteers, which is administered by the Westmoreland County Food Bank, Inc. The value of donated volunteer services in connection with the various activities of the Westmoreland County Food Bank, Inc. is not reflected in the accompanying financial statements because such services do not meet the criteria for recognition outlined in the accounting standards.

NOTE 6: ECONOMIC DEPENDENCY

For the years ended December 31, 2023 and 2022, the Westmoreland County Food Bank, Inc., received approximately 7.59 percent and 7.39 percent respectively of total cash revenue from the state food purchase program. If this program was discontinued, it would adversely affect the organization's financial position.

NOTE 7: CONCENTRATION OF CREDIT RISK

Westmoreland County Food Bank, Inc. maintains its bank accounts with Dollar Bank. Accounts at the institution are insured by Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash may exceed federally insured limits at various times during the year. The amount in excess of the FDIC limit was \$1,844,776 as of December 31, 2023, and \$7,977,944 as of December 31, 2022. For the years ended December 31, 2023 and December 31, 2022, the uninsured deposits were collateralized in a pooled pledged account with Dollar Bank, by FHL Bank of Pittsburgh. The safe keeping department of the Bank has possession of, and is the custodian of the collateral securities.

NOTE 8: COMPENSATED ABSENCES

It is the policy of the Westmoreland County Food Bank, Inc., that an employee may carry over a maximum of five earned but unused vacation days from one year to the next. Upon voluntary termination of employment, an employee shall be paid for all earned, but unused vacations. Within thirty days after the end of a calendar year, the Westmoreland County Food Bank, Inc., will pay an employee for an unused sick day at his/her rate of pay in effect as of January 1 of the calendar year during which the sick days were given. An employee who leaves employment by either voluntarily or involuntarily actions shall not receive pay for unused sick days. The Westmoreland County Food Bank, Inc. paid out \$18,016 and \$17,154 for unused sick days for the years ended December 31, 2023 and December 31, 2022 respectively.

NOTE 9: REVOLVING LINE OF CREDIT

The Westmoreland County Food Bank, Inc., has a \$350,000 revolving line of credit agreement with Dollar Bank. The line of credit is secured by a first lien mortgage on the Westmoreland County Food Bank, Inc.'s. real estate located in Delmont, Pennsylvania. Amounts borrowed on the line bear interest at 3.5 percent and had a maturity date of April 29, 2023. During May of 2023, the revolving line of credit was extended for 10 years with borrowings bearing interest at the Prime rate, or 8.5% at December 31, 2023. The Westmoreland County Food Bank, Inc. did not borrow against the line of credit during 2023 or 2022. At December 31, 2023 and 2022 there was no outstanding balance on the line of credit at year end.

NOTE 10: LEASE AGREEMENTS

Westmoreland County Food Bank, Inc. had lease agreements for two vehicles that expired in 2023. The rental expense under these agreements for the years 2023 and 2022 was \$22,084 and \$47,112 respectively. Of these amounts, \$20,405 in 2023 and \$40,809 in 2022 were the base payments, while the remainder of the rental expense consisted of variable payments determined by mileage. Upon expiration, one of the vehicles under lease was purchased by the Westmoreland County Food Bank, Inc. and is now included in fixed assets.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of the Westmoreland County Food Bank, Inc. 100 Devonshire Drive Delmont, Pennsylvania 15626

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Westmoreland County Food Bank, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, statement of functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 31, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Westmoreland County Food Bank, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Westmoreland County Food Bank, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Westmoreland County Food Bank, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Westmoreland County Food Bank, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors of the Westmoreland County Food Bank, Inc. 100 Devonshire Drive Delmont, Pennsylvania 15626

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Westmoreland County Food Bank, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Westmoreland County Food Bank, Inc.'s major federal programs for the year ended December 31, 2023. The Westmoreland County Food Bank, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Westmoreland County Food Bank, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Westmoreland County Food Bank, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the Westmoreland County Food Bank, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Westmoreland County Food Bank, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Westmoreland County Food Bank, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Westmoreland County Food Bank, Inc.'s compliance with the requirements of its major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
 perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
 evidence regarding the Westmoreland County Food Bank, Inc.'s compliance with the compliance
 requirements referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of the Westmoreland County Food Bank, Inc.'s internal control over compliance
 relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to
 test and report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of the Westmoreland County Food Bank, Inc.'s
 internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control* over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.
